

## **Zero Tolerance Statement - Statement on Respect and Safety**

At Kington St. Michael C.E. Primary School, the Governing Board firmly believes that all members of staff have the right to work in an environment free from violence, aggression, or abuse.

Any form of abuse, whether verbal or physical, directed towards school staff, pupils, parents, or any member of our school community will not be tolerated. Everyone has the right to feel safe and respected in our school, which should be a secure and welcoming place for both learning and work.

We expect that all parents, carers, and visitors conduct themselves in a courteous and respectful manner towards staff and others at all times.

Together, we can ensure that Kington St. Michael C.E. Primary School remains a positive and supportive community for all.
